

Camp Creek Elementary P.T.A.

...To our web page! Here to keep you up to date and informed of PTA's involvement at Camp Creek Elementary School.

Please know that you are invited to any or all of our meetings, held at the school on the second Monday of each month, with few exceptions, at 7:00 p.m. Child care is provided free of cost. We sincerely appreciate and look forward to all ideas and input.

We feel that, as Camp Creek PTA, not only are we here to support and offer further enrichment to our students, but to serve as a whole, the kids, teachers, staff, parents/grandparents/guardians and community.

We enjoy being a part of this wonderfully special school that provides so much more than a great education. A place that by its very nature nurtures the support and friendship that develops, with all of us working together towards a common goal; giving the best we can offer to our children. and each other.

Our annual Fall Family Fun Night and Bingo/Silent Auction Night are much looked forward to events as a time for family, friends, alumni and community members to get together.

If you are able, we would love for you to come and share the gift of yourself via Camp Creek PTA! No matter how much time you have to share, there are numerous opportunities available.
