At Camp Creek School, we welcome parent and community member involvement. Volunteers serve a vital role in the education of children as they provide assistance to staff and students. Opportunities to participate as a volunteer exist on a regular basis in the classrooms, a monthly basis at our Read-In, or an occasional basis through PTA events.

Volunteers at Camp Creek can also serve on Site Council and the Rural Education Support Team (REST).

Our Volunteer coordinator facilitates and develops our volunteer program, which includes coordination with teachers, training of volunteers and placement of volunteers. This is accomplished at the start of each school year, however, new volunteers may "jump in" at any time and as needed.

To find out how you may become a vital volunteer at Camp Creek School, call the school office. Our Volunteer Coordinator will be happy to contact you.
